

Flat Rusty!!

The Traveling Giant Sloth - For YOU

Take him home, color him, and cut him out. Anytime you travel to new locations, or even go outdoors, take Flat Rusty with you and take his picture next to your favorite spot. Be sure to write about why that is your favorite place to help you remember that location. Have your parents keep an eye out on www.uiowa.edu/mnh as there will be places to post your Flat Rusty pictures and essays coming soon! Be sure to share your adventures with Rusty on Rusty's very own facebook page (Rusty the Giant Sloth) or email your pictures to uimnh@uiowa.edu !
